ACADEMIC INFO

Specific info about the subjects: “Guía docente”

This is the document that explains the contents that the subject covers and also the evaluation that will take place, so it is important.

The teachers will explain their main points the first day of class and you can have access to each one of them in the Moodle platform and you can also find it in the description of the study plan of your degree.

Example of one of the teaching guides of the degree in Spanish language:
